## -- Hurricane Ida Update --

Dear Village Residents,

We are working with the Orange County Office of Emergency Management and with FEMA to get funds for individual households in the village that suffered damage from Ida, which should include funding for recovery of damages, cleanup and repairs. There is no guarantee yet for funding and/or an approximate amount per household/incident, but we're doing our best to maximize the data collection for recovery purposes.

Please click on this link to submit your application today!

Time is of the essence as we have to submit the applications by **Monday, September 13** in the evening.

We will keep you posted with further updates as they become available.

Sincerely  
George Kalaj  
Mayor
