Well Subdivision
Tax ID 207-1-1.22
Our Project #24101.0**

Dear Chairman Weiss:

In reference to the above, enclosed please find the following:

- 1 – Well Subdivision Map
- 1 – Planning Board Application
- 1 – Short EAF

The project proposes to subdivide a 2.88 +/- acre parcel of land having a 200-foot radius around an existing well for the purposes of potential future public water supply. Included on the map is an easement to provide access to the existing well from Merriewold Avenue.

Kindly place this matter on the next available Planning Board agenda for discussion. Should you have any questions, or require any additional materials, please feel free to contact this office.

Respectfully,

Kirk Rother, P.E.
